

For your journey I would like to give you some directions to reach us easily because if you rely on a navigator with maps out of date, you might have some difficulties.

1. After landing in Comiso and taking the rental car
2. Please follow the directions for SS514 to "RAGUSA"
3. Keep on driving on SS514 and then on SS115. Take the exit to SIRACUSA.
4. Drive back into SS115, passing through Modica and Ispica. Drive down SS115 and after reaching
5. ROSOLINI, follow the signs to motorway SIRACUSA – GELA (Autostrada SIRACUSA – GELA). Take the motorway and after 15 km, take the exit to NOTO.
6. Continue driving till you reach a roundabout and there take the second exit, drive down the hill
7. Take the first exit at the next roundabout, and then straight at 2<sup>nd</sup> exit of the 3<sup>rd</sup> roundabout
8. Then turn left after passing under the bridge and follow "Noto"
9. Upon entering the country must take the main road (Via Napoli)
10. You will see the public gardens on the left and you need to go straight on
11. After about 50 meters on the left is an old building of the "POLIZIA MUNICIPALE". You will need to turn left immediately as this is the beginning of Via Camillo Benso Cavour
12. We are at number 53 if you find the door closed buzz "Summa - 7 Rooms".

Please park your car in the yard.

I am at your disposal for any request.

Kindest regards,

Cristina Summa
