

For your journey I would like to give you some directions to reach us easily because if you rely on a navigator with maps out of date, you might have some difficulties.

1. After landing in Catania and taking the rental car
2. Please follow the directions for the "AUTOSTRADE" and then "SIRACUSA"
3. Take the Highway, after about 70 km take exit "NOTO"
4. Turn left
5. Continue driving till you reach a roundabout and there take the second exit, drive down the hill
6. Take the first exit at the next roundabout, and then straight at 2nd exit of the 3rd roundabout
7. Then turn left after passing under the bridge and follow "Noto"
8. Upon entering the country must take the main road (Via Napoli)
9. You will see the public gardens on the left and you need to go straight on
10. After about 50 meters on the left is an old building of the "POLIZIA MUNICIPALE". You will need to turn left immediately as this is the beginning of Via Camillo Benso Cavour
11. We are at number 53 if you find the door closed buzz "Summa - 7 Rooms".

Please park your car in the yard.

I am at your disposal for any request.

Kindest regards,

Cristina Summa
